Job Title & Description

Title: Outdoor Instructor

Description:

To assist in conducting outdoor adventure activities for people from age 6 through 60 years old. Will require working in the outdoors (usually hot and humid) as well as long hours (for hiking early in the morning and campfire activities till late in the evening). Instructors need to have outdoor skills (climbing, kayaking, ropes courses, games leadership and etc.), manage a group of up to 20 people, maintain safety gears, have additional skills (first aid, lifesaving, fire show and etc) and willing to learn from a different culture.

Character Qualities:

Humility being the key trait, the applicant should be willing to adapt to a different culture where food, weather and language are often unfamiliar and could be an inconvenience.

Required Experience:

While outdoor skills will assist us in our daily operations, a strong Christian character is most valued.
